OVERVIEW OF THE OFFICE OF THE STATE BANK COMMISSIONER

The Office of the State Bank Commissioner was established in 1919. The State Bank Commissioner is appointed by the Governor and confirmed by the Delaware State Senate to serve a four-year term. The Commissioner is responsible for administering and enforcing all the provisions of the State Banking Code, Title 5 of the Delaware Code.

The Office of the State Bank Commissioner serves the public interest by maintaining a strong financial services industry and protecting consumers. As of the end of 2020, the office supervised 11 state-chartered banks, 36 state-chartered limited purpose and non-deposit trust companies in Delaware, and two building and loan associations, and also licensed 807 non-bank businesses and 5,712 individual mortgage loan originators to provide financial services to consumers in the State. The principal activities of the Office of the State Bank Commissioner are:

Approving Bank and Trust Company Applications

Applications to form new state-chartered banks and trust companies, as well as to approve mergers and acquisitions and other banking services, are handled by the Office of the State Bank Commissioner. New applications are encouraged in order to provide expanded banking and trust services in Delaware, as well as to promote the development of the banking industry in the State. The Glenmede Trust Company of Delaware, a limited purpose trust company, was established on September 29, 2020.

Examining Financial Institutions

Examining financial institutions is a major focus of the Office of the State Bank Commissioner. The examination process improves the availability of financial services to all Delawareans and provides for economic stabilization and revitalization of communities. Banks and trust companies are examined to ensure their safe and sound operation, and the provision of trust services in accordance with appropriate standards. In addition, banks, trust companies and non-depository licensees are examined to ensure compliance with state and federal banking laws and consumer protection statutes and regulations. During 2020, our examiners conducted a total of 153 examinations, including 48 examinations of banks, trust companies and building and loan associations, and 105 examinations of licensees.

OVERVIEW OF THE OFFICE OF THE STATE BANK COMMISSIONER

Administering the Bank Franchise Tax

The Delaware Bank Franchise Tax is levied on all banking organizations, trust companies and building and loan associations in the State. Bank franchise taxpayers are exempt from the State corporation income tax, and the bank franchise tax is in lieu of occupational taxes or taxes upon income, capital and assets, other than real estate. The State Bank Commissioner is responsible for collecting the bank franchise tax. The Office of the State Bank Commissioner provides regular revenue and refund estimates to the Delaware Economic Financial Advisory Council (“DEFAC”) for state budgetary purposes, and the State Bank Commissioner traditionally has served as a member of DEFAC. Bank franchise tax collections amounted to \$80.9 million in fiscal year 2020.

Licensing Non-Depository Institutions

The Office of the State Bank Commissioner licenses and regulates non-bank businesses that provide financial services in Delaware. As of the end of 2020, we had issued licenses to 807 businesses, which had a total of 1,869 licensed offices. Several different types of licenses are issued. Licensed lenders include mortgage lenders, consumer finance companies, and other businesses that lend money to consumers. Businesses engaged in financing the Sale of Motor Vehicles are licensed to lend money to consumers through retail installment contracts for the purpose of purchasing motor vehicles. Mortgage Loan Brokers are licensed to arrange residential mortgage loans for consumers. Licenses are required for businesses engaged in the Transportation of Money and Valuables for hire. Licenses for Cashing of Checks, Drafts or Money Orders are issued to businesses that cash such items for consumers for a fee in excess of ten cents per item. Companies that sell travelers checks or receive funds for transmission are licensed for the Sale of Checks and Transmission of Money. Businesses that create contracts for funeral goods and services for consumers wanting to make advance arrangements, receiving the payments of money as trust funds until the services are needed, are licensed to offer Preneed Funeral Contracts.

Licensing Individual Mortgage Loan Originators

In 2020, the Office continued licensing and regulating individual Mortgage Loan Originators in accordance with the federal Secure and Fair Enforcement for Mortgage Licensing Act of 2008 and the State’s parallel statute, Chapter 24, Title 5 of the Delaware Code. The Non-Depository Institutions and Compliance staff investigates applications for individual licenses and coordinates licensee information through the Nationwide Mortgage Licensing System. As of December 31, 2020, we licensed 5,712 Mortgage Loan Originators.

OVERVIEW OF THE OFFICE OF THE STATE BANK COMMISSIONER

Responding to Consumer Questions and Complaints

The Non-Depository Institutions and Compliance staff of the Office responds to consumers who have questions or complaints about Delaware financial institutions. Our goal is the fair resolution of consumer problems. We handle many different types of inquiries from consumers through the telephone, the mail and the Internet. During 2020, we received 6,247 telephone inquiries and 526 written complaints and resolved 535 complaints. Some concerned the terms of credit card agreements or transactional disputes consumers had with credit card issuers. Others involved the methods used by financial institutions to assess charges, collect debts from delinquent borrowers, or take possession of secured collateral, such as a car, after default on repayment of a loan. Problems concerning loans, checking accounts, savings accounts, residential mortgages, time deposits and other matters involving consumers and Delaware banks or non-depository financial institutions were handled by the Non-Depository Institutions and Compliance staff. Complaints regarding national banks and federal savings banks were referred to the appropriate federal bank regulator

Administering the Financial Literacy Education Fund

The Financial Literacy Education Fund (FLEF) was established in 2009 in a law enacted by the General Assembly. Funding is provided by a surcharge on Licensed Lenders who make high-cost title loans and short-term consumer loans in Delaware. The FLEF is administered by the Office of the State Bank Commissioner through grants to support schools or other non-profit organizations that provide financial and economic literacy skills to adults and youth. The FLEF Grants Review Committee includes representatives of the Secretary of Education and the State Bank Commissioner, as well as others outside of State Government.

THE STATE BANKING CODE AND REGULATIONS

The State Banking Code

No amendments to Title 5 (Banking) of the Delaware Code were enacted during 2020.

State Bank Commissioner Regulations

The State Bank Commissioner amended several regulations in 2020. Regulation 2301 (Sale of Checks and Transmission of Money – Operating Regulation) was amended to implement statutory changes to Title 5, Chapter 23, by providing for license applications to be processed through the Nationwide Multistate Licensing System and Registry. Technical, nonsubstantive changes, in particular updating the new mailing and delivery address of the Office of the State Bank Commissioner, were made to 10 other regulations.
